New OfferPlace™ is a secure and convenient environment to send and receive offers right within the zipForm® Plus transaction platform, creating an uninterrupted workflow to help you get offers accepted and deals closed faster.

## Key benefits:

- Send and receive offers directly to your zipForm® Plus account and get real time notifications
- Save time by auto-populating data from transactions into offers
- Compare offers and keep track of transaction statuses
- See an overview of all offers in active transactions in one central location
- Send signed contracts to other Elite Agents to make offers using zipLogix Digital Ink®
- Supports legal compliance

Are you ready to receive, manage and compare multiple offers right within zipForm® Plus?
